

Letter to Mother - House Perry Ky. 5/9/1921

My dear "Lillie"

[1921]

It had been some time, since I wrote you, due to sickness, partly, then, to excess of work. Not, because, I have not had you in my mind, very frequently. I beg of you, do not give way to your feelings of sadness, dearie, remember God's ways are not our ways, and He knows best. Of

course, I know dearie how lonely you
must feel with your loved ones gone
before you, but, again, God knows best, even
if it does seem hard to bear.

I am leaving tomorrow for St Louis
and Kansas City to be absent indefin-
itely. I hope you will keep well in
the meantime. Remember me kindly to
Mr Garcia - God bless you! Pray for

Your devoted godmother,
Mother M. Rose
